

INDOOR INTERLOCKING EVA FLOOR MAT FOR CHILDREN PLAY AREA 10 MM

SPECIFICATIONS :

- Available in different thickness
- EVA Foam Floor Mats will help reduce fatigue and protect your floors thanks to a full 1/2 inch of thickness
- These Multi-Color Floor Mats are perfect for exercise areas, workshops or kids play areas
- Give yourself shock-absorbing comfort when doing Yoga, Pilates, Cross Fit or Weight Lifting
- Protect your little ones when they play, by assembling the mats into a virtual carpet to cover the play area floor
- Can also be used in any room you might be standing for long periods like your kitchen or bathroom
- These mats are NON-TOXIC, easy to assemble and wipe clean with soap and water
- They offer water resistance and a non-slip surface
