

IMPORTED RUBBER COATED HEXAGON DUMBBELL

SPECIFICATIONS :

- Dumbbells feature hexagonal, "no-roll" design and durable rubber finish
- Secure Dumbbell System combines one-piece cast iron heads with steel inserts that have been pinned, press-fitted, and welded
- Compact design makes them shorter in length and easier to work with than conventional dumbbells
- Available sizes:
- 2.5 5, 7.5, 10, 12.5, 15, 17.5, 20, 22.5, 25, 27.5, 30, 35, 40, 45, 50 kg
