

IRELAX SL- A389 MASSAGE CHAIR

SPECIFICATIONS :

- Luxury Full Body Zero Gravity Massage Chair W/Heat & Foot Rollers:
- Ultimate Massage Experience
- A heady combo of a health product and a lifestyle statement
- Indulge yourself in the technology powered 2D point detection and massage
- Seize the luxury of having a precise therapy to suit your need. Say goodbye to pain, strain & stress in style!
- It is notable for its beautiful cocoon design and matching lighting
- The back of the chair automatically moves back (lying) but this does not take up any space in relation to the wall because the chair itself slides forward
- It naturally has an integrated arm console for a full hand and arm massage and is equipped with 28 airbags for an overall pressure massage
- Automatic scan of the body height, so that the neck massage is always given in the correct position
- Equipped with five different massage methods: shiatsu, kneading, clapping, beating and simultaneously kneading and clapping
- Massage can be manually set to any desired massage form
- The angle of the lying position can be adjusted, the calf support and the backrest can be raised and lowered
- Equipped with separate control panel
- 2 memory positions for personal settings
- Massage duration is 20 minutes
