

BANG PICKLEBALL PADDLE (SET)

SPECIFICATIONS :

- 2 Pickle Paddle, 2 Pickle Ball, 1 Premium Bag
- Material: FiberGlass
- Lightweight Design: Weighing in just right for the perfect balance between power and finesse, the Pickle Paddle is a lightweight companion for players of all levels. Enjoy quick reactions and swift movements without sacrificing power.
- Edge Guard: The Edge Guard provides durability and protection without compromising the paddle's playability. Play confidently along the edges, knowing your paddle is resilient against accidental impacts and scrapes.
- Flex Face: The Flex Face enhances ball control and spin with its responsive surface. Execute precision shots, add spin to your serves, and outmaneuver opponents with the confidence of a paddle designed for finesse.
- OptiBalance Weight Distribution: The OptiBalance Weight Distribution ensures a well-balanced feel, offering a perfect blend of power and maneuverability. React quickly to opponents' shots and deliver decisive returns with this thoughtfully designed paddle.
- Durability and Performance: Overall, these pickleball paddles are built to deliver a high-quality playing experience by offering both durability and exceptional performance. They cater to players of all skill levels, from beginners to seasoned professionals, enhancing their gameplay significantly.
- High-Quality Honeycomb Core: The high-quality honeycomb core combines strength and flexibility, ensuring a consistent and responsive feel. This core design enables players to make precise shots and maintain control over the ball.
