

PICKLE PADDLE EDGE GUARD TAPE

SPECIFICATIONS :

- **Lightweight & Durable:** Airavat edge guard tape was made for pickleball to protect your paddle from the rigors of play without adding too much weight.
- **Edge Protection:** The tape provides a protective layer for the paddle's edges, reducing the risk of damage from accidental impacts or drops.
- **Durability:** The tape is designed to withstand friction and abrasion, extending the lifespan of the paddle.
- **Easy Application:** It comes with an adhesive backing, making it simple to apply and remove without leaving residue.
- **Customizable Fit:** Can be cut or trimmed to fit different paddle sizes and shapes, providing a secure and snug edge guard.
- **Aesthetic Appeal:** Available in various colors, allowing players to add a personal touch to their paddle while maintaining its functionality.
